

International Conference on "Selection Theory and Breeding Methodology"

March 23 - 24, 2017

Conference Venue:

Campus of the TUM School of Life Sciences Weihenstephan
Lecture Hall 17: Liesel-Beckmann-Str. 1, 85354 Freising
Conference Dinner: Gregor-Mendel-Str. 2, 85354 Freising

Travel Information:

1.) Public transport

- **From Munich Main Train Station (Hauptbahnhof)**

Train (approx. 30 min) or S-Bahn S1 (approx. 45 minutes) to Freising station (Bahnhof). Please note: S-Bahn S1 carriages split at Neufahrn, the front section travels to Freising and the rear section to the airport. At Freising train station use the link [Münchner Verkehrsverbund](#) to find a convenient bus connection to your hotel or the campus Weihenstephan. Due to constraints because of construction works, it is advisable to use bus stop "Weihenstephan" and then follow the signs leading to the conference venue.

- **From Munich Airport (Flughafen)**

Bus 635 leaves every 20 min and takes approximately 15 min to Freising station. At Freising train station use the link [Münchner Verkehrsverbund](#) to find a convenient bus connection to your hotel or the campus Weihenstephan. Due to constraints because of construction works it is advisable to use bus stop "Weihenstephan" and then follow the signs leading to the conference venue.

By taxi cab (approx. 20 min).

[Deutsche Bahn](#) – Timetables and ticket info

2.) By car

- **From Autobahn A92**

Exit "Freising-Mitte". In Freising center follow signs to "Weihenstephan". Follow "Voettinger Straße" west outbound, then turn right onto "Thalhauser Straße" at tyre shop "Nabholz", signposted to Allershausen. After a few hundred meters pass an Avia fuel stop on the right, then pass straight through an intersection with traffic lights. After 300 meters "Liesel-Beckmann-Straße" is on your right.

- **From Autobahn A9**

Take exit 67. Follow directions to "Allershausen", then "Freising". Once you reach the town you will hit an intersection with traffic lights and sign posts pointing left to "Erding" and "Mainburg". Go straight over this intersection, after 600 meters "Liesel-Beckmann-Straße" is on your left.

International Conference on "Selection Theory and Breeding Methodology"

March 23 - 24, 2017

Fakultät Wissenschaftszentrum Weihenstephan für
Ernährung, Landnutzung und Umwelt

Gebiet 4100 BERG

- 4101 HS 6
- 4102 HS 1 - 2
- S 8 - 10
- 4108 HS 8 - 9
- 4112 HS 10 - 11
- 4113 HS 4
- 4153 1.04

Gebiet 4200 MITTE

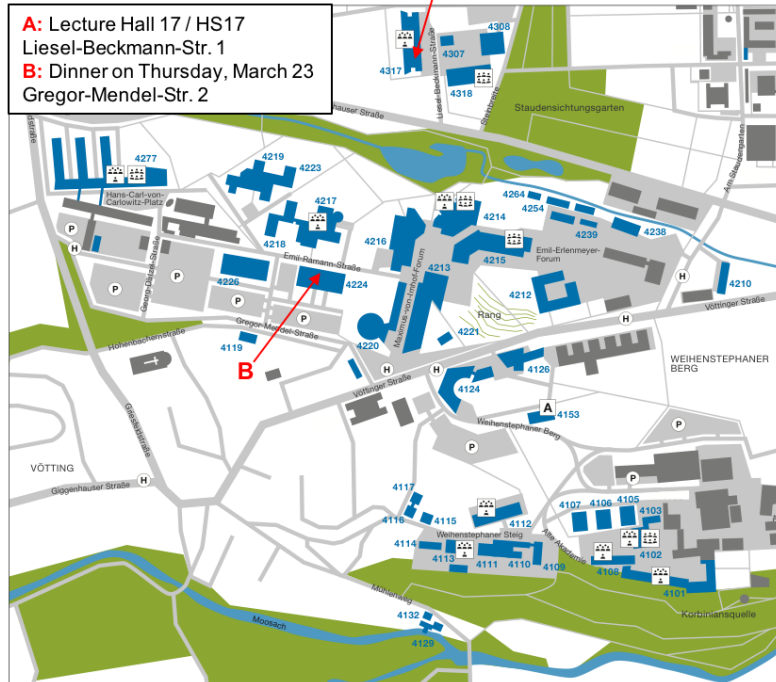

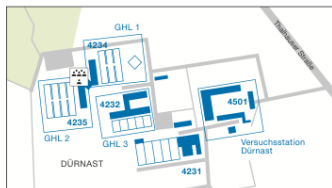

- 4214 HS 14 - 16
- S 1 - 3
- 4215 P 1 - 16
- 4217 HS 12
- 4234 S GHIL
- 4277 HS 21 - 24
- S 4 - 6, S 7A, S 7B

Gebiet 4300 NORD

- 4317 HS 17
- 4318 S 81 - 88

Zeichenerklärung

- Hörsaal
- Seminar-/Praktikumsraum
- Sprachenzentrum
- Bushaltestelle
- Parkplatz

A: Lecture Hall 17 / HS17
Liesel-Beckmann-Str. 1
B: Dinner on Thursday, March 23
Gregor-Mendel-Str. 2

Stand: September 2014
